<b>% Violating</b>	0.06%								
<b>State Average</b>	12.00%								
<b>Standard cost to review</b>	\$656								
<b>Notes</b>	Their were no videos captured for Jeffries and Ike Walton the week of 6/5-6/11 due to a conflict issue with the audio installation which took some research to resolve.								
	The violation at Jeffries resulted in a warning vs. a citation.								
	Violation on 8/8 was probably picked up on an initial launch. Not reported.
